

Join the ELGAN ECHO Participant and Family Advisory Board!

Interested in helping to shape the future of the ELGAN ECHO study? Join the ELGAN ECHO Participant and Family Advisory Board (EPFAB)!

Together with fellow board members, you will give thoughts and feedback about...

Future Research Questions

Your thoughts will help us find new ways to study the data we already have and will help shape future studies.

Improving the Participant Experience

Help us find ways to make ELGAN ECHO research sessions easier to complete for everyone who wants to participate.

Engaging & Supporting ELGANS

With your help, we'll create new opportunities for ELGANS to learn about research results and connect with each other.

What to expect from EPFAB meetings

The EPFAB will meet virtually **once monthly** at a convenient time for all. Some meetings will be **small group discussions** with 8-10 of your fellow ELGANS (or fellow parents or guardians). Others will be **larger meetings** with ELGANS, parents, and guardians where we all agree on next steps for study improvements.

You will receive an Amazon gift card for **\$50 per meeting you attend** as a thank you for your time!
